Happy Kitchen Hostess Expert on Dietetic Lore

In just a few more days the Happy Kitchen Cooking school will come to Torrance with the cupboards "chock" full of interesting and valuable information—ready to be served to all women of this district free of charge. It will be at the Torrance Civic Auditorium for three afternoons, beginning Wednesday, April 16.

Doors will open at 12:30 o'clock and the classes, sponsored by The Torrance Herald and Lomita News, will "come to order" promptly at 1:30 each Wednesday, Thursday and Friday afternoon, April 16, 17 and 18. And there will be dozens of valuable prizes!

In these days of "vitamins" and "calories," says Miss Baker, the Happy Kitchen hostess, just one of the home-maker's problems is to know how to derive the most nutrition from food by its proper preparation. Doctors and scientists are more and more stressing the importance of proper diet as a safeguard to health, and housewives of this district will welcome the opportunity of hearing Miss Baker, who is an outstanding authority on all dietetic problems as a result of hospital and laboratory training as well as scientific research conducted by leading food manufacturers.

Miss Baker can make any dull diet delectable and give many practical hints which will help solve some of these daily difficulties. The Happy Kitchen will have a complete new program each day and answers the particular need of every home-maker. The list of prizes are most exciting, and it may be your lucky day.

You and your friends are cordially invited to attend. We'll be seeing you at the Happy Kitchen Cooking class!
